Guideline in Giving: The ministry of TWFM is primarily supported by individual donations. We suggest a minimum donation of \$100 per day or \$50 per half day for guests of The Wilderness who have reserved other facilities, or \$200 per day or \$100 per half day for those who are reserving Johnson Hall only or JH and FFRC Day Room only. If you are unable to leave that amount, PLEASE, do not hesitate to come! Our heart is that no one be denied for lack of finances. Deut. 16:17 says, *"Let each man give as he is able, according to the blessing of the Lord your God which he has given you."* If the Lord has blessed you with more finances, we encourage you to share a larger gift as a ministry to those who cannot leave as much. This will allow us to keep the cabins available to all who want to come for a quiet time of prayer and refreshment with their Lord Jesus.
